## JUDGE PROFILE

I have owned Samoyed's now for 14 years, our first Sam was Sasha who we got in Jan 1997, initially she was to be a pet, but it is amazing how quickly that changed after we went to our first dog show. As some of you are aware one Sam quickly becomes two and in 1998 along came Stollen, Sasha's play mate. The showing bug now well and truly set in, shortly after Sasha was mated and in 2000 our first litter arrived and so did Wispa, followed by our second litter in 2002 and Alaska. For the past 11 years I have been on the committee of the Northern Samoyed Society and have been judging now for about 10 years. I have also stewarded at various shows from exemption through to Championship shows. Away from the show scene I have been involved with Leeds Dog Training Club for the past 14 years, initially to train our dogs in obedience and for nearly 11 years teaching obedience.

## Dogs in Cars on Hot Days

Your dog is vulnerable and at risk during hot weather and the kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dogs stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCILBE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

## Regulations for the Preparation of Dogs for Exhibition 'F' Annex 'B'

Samples may be taken for further examination and analysis.
